ENDURANCE
by Body-Solid

LED Display Console

3-Window Profile Matrix LED Display provides you with an interactive conduit to the efficiency and monitoring of your workout, including Heart Rate Control (with included heart rate strap), Elevation, Time, Distance, Speed and Calories Burned. The programs are Endurance, Running, Interval, Cardiovascular, Walking, Custom Learner, Distance, Calories, Time, Manual, Fat Burn, and Heart Rate.

T10HRC Light Commercial Treadmill

Where club-style features intersect with commercial performance to provide you with the ultimate fitness experience in your home. With the top features of all the Endurance treadmills, the T10HRC is the quintessential choice for discerning athletes and dedicated running enthusiasts. The powerful 3.0 HP Continuous Duty motor will hold up to any user, and the extra large running surface and one touch speed adjustment are perfect for any runners. The included Heart Rate Control Chest Strap will monitor your heart rate and automatically adjust the treadmill for optimum target heart rate.
